Roots & Fruits

People who attended a previous session of Roots & Fruits had this to say about how the session affected their faith or connection to the Church:

“It expanded my understanding of the Mass.”

“It made me more interested in the Bible.”

“It offered greater understanding of our traditions, how they connect to the scriptures, as well as how the scriptures are reflected in each of our Masses.”

“It makes me want to be an even better, reflective Catholic.”

Planning ahead...
