

Posting on this Website

Is your ministry hosting an event? Presenting a class? Looking for help?

Use the website to invite participation from parishioners and other website visitors.

Guidelines for submitting articles:

1. Provide the article in a common format such as an email or Word file.
2. Include photos or other types of art in jpg format. You can attach a file to email or provide a site from which the art can be downloaded.
3. Submit your article at least three weeks before the event. This allows time to post the article and gives visitors a chance to see it.

Submit your article and photos to Marcia Ducusin at Marcia.Ducusin@sttheresafw.org or Linda DeMarce at Linda.DeMarce@sttheresafw.org.
