

Let's Journey Together

Pope Francis has extended an extraordinary invitation to all people to create a church together. This begins with understanding what church means to each of us. We would sincerely appreciate your thoughts on these questions. Your responses will be shared with St. Theresa's, the Archdiocese of Seattle and the Pope.

Please respond by April 30, 2022

What do you want from church? (for example: welcoming community, place to worship, peace)

What keeps you away?

How can your church be more for you?

We would be happy to have a follow-up conversation if you provide contact information.
