

St. Theresa's Synodal Journey

The Call to Journey Together!

From Pope Francis to Archbishop Etienne to St. Theresa's Parish, we hear the call to journey together in a Synodal Process. What does that mean? In the words of one of our Pastoral Council members: it's a journey of listening together, which is a form of healing.

What do we need for this journey?

We need to LISTEN to each other and PARTICIPATE in the building of tomorrow's church today.

You can participate by attending one of St. Theresa's Listening Sessions.

A Message From Archbishop Etienne

We will strive to hear from every member of the Church, especially those who often feel unheard and invisible. This is a time for all voices to be heard: men, women, young people, laity, clergy and religious, those who are active in the Church and those who for whatever reason have fallen away.” - Archbishop Etienne
